

Dear Sir,

It gives us immense pleasure to inform you that the Annual Veterinarians' Convention "VETRICON 2015" is being held at Al Saj International Convention Centre, Kazhakkuttom, Thiruvananthapuram from 27th to 29th December 2015. This convention is unique in many respects particularly because this prestigious event is being organized in the capital city of Thiruvananthapuram. In the current scenario of emerging zoonoses, unsafe food and environmental hazards, veterinarians have a major role to play in mitigating the threats by providing safe food (meat, milk and egg) by preventing spread of diseases from animal to animal and animal to humans. It also calls for Inter Sectoral Collaboration of various Professionals like Veterinarians, Medicos and Environmentalist.

We solicit your esteemed presence on this august occasion and to make the event a grand success and memorable one.
