Mannuthy,

11.03.2016

Dear Veterinarians,

With immense pleasure, we would like to inform you that a new editorial board has been constituted for the Journal of Indian Veterinary Association (JIVA). Now the editorial board invites full length research papers, review articles, general articles, clinical articles and short communications from all fields of Veterinary and Animal Sciences for publication in the next issue of JIVA scheduled for release during last week of April 2016. The articles should reach the Editor on before 20th March 2016.

The guidelines to the authors are attached herewith.

Thanking you,

Yours faithfully,

Editor JIVA

GUIDELINES TO AUTHORS

1. JOURNAL OF INDIAN VETERINARY ASSOCIATION (JIVA) publishes papers of original work as full length research papers, review articles, general articles, clinical articles and short communications from all fields of Veterinary and Animal Sciences.

2. Papers shall be accepted by the editorial committee for publication based on the facts mentioned below and on the concrete understanding that

a. The paper submitted has not been published before and also it is not being considered for publication elsewhere. All authors should sign a certificate to this effect in respect of each article.

b. The authors shall also certify that they are responsible for any legal disputes arising out of infringement of copy rights, plagiarism, under or mis representation of facts and that the editorial board shall not be held responsible for the above said actions under any circumstances.

c. All authors are jointly responsible for the contents published in the article. The Editorial Committee under no circumstances shall be responsible for the contents published in the article.

Names, qualifications, full addresses and email ID of all authors is mandatory. Details of the corresponding author and address of the institution/place where research work has been undertaken must be clearly specified.

3. For publishing in the journal, article may be submitted by email to editorjiva@yahoo.com.

4. Articles may be typewritten in MS Word, Times New Roman, font size 12 pt, and 1.5 line spacing in A4 size paper (strictly adhere to the standard font and format mentioned). Research Article, clinical article and short communications may be in the following format

a. Title - Title of the article should be clear and concise. b. Author(s) - Designation/Affiliation with full address and pin code

c. Full papers-Abstract (not more than 100 words), Keywords (not more than 4 words), Introduction, Materials and methods, Results & Discussion, Summary, Acknowledgment and References. The full papers should not exceed 5 printed pages. Word limit for Research and Review Article is 2000 words, including tables, graphs etc.

d. Clinical articles- Abstract (not more than 100 words), Keywords (not more than 4 words), Introduction, Case history and Observation, Treatment & Discussions, Summary, Acknowledgment and References. The full papers should not exceed 4 printed pages.

e. Short Communications- Abstract (not more than 100 words), Keywords (not more than 4 words), Introduction, Materials and methods, Results & Discussions, Acknowledgment, References. Short communications should not exceed 2 pages.

f. Tables, photographs, graphs etc. should bear the reference number (table 1, table 2 etc) and the title.

g. Page limit is inclusive of figures, photographs and tables.

h. References should be arranged in alphabetical order and numbered. Reference should be given in the format Name of the author (s), followed by year, Title, Name of the Journal, Volume, Issue and Page Number. Eg. Vegad, J.L. 2008. Bird flu- an overview: JIVA: 8(1):1-11 5.
