

CHIEF RESOURCE PERSONS

Sumith Satheendran S.

Faculty -Geo Informatics
Centre for Remote Sensing &
GIS, School of Environmental
Sciences, Mahatma Gandhi Uni-
versity
Kottayam

Dr. Girish Gopinath

Senior Scientist,
Geomatics Division, CWRDM,
Calicut, Kerala

About the Seminar

The seminar is intended to raise awareness on the application of Remote Sensing, Geographic Information Systems (GIS) and other geo-information technologies in veterinary practices especially for facilitating epizootiological studies of animal disease outbreaks, disease reporting, surveillance, Species Conservation etc.

APPLICATIONS

Disease Surveillance

Improve Livestock Health

Genetic Conservation

Forecast Epidemics

Stratify Risk Factors

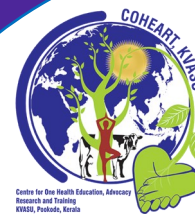

Environmental Monitoring

Please Note: There is no registration fee, however, prior registration is requested (see registration form). All the attendees shall receive registration kits, certificate of participation and complementary lunch. **Please register on or before 02/05/2018 (11.00 pm)**

For further details please contact:-

ONE DAY SEMINAR

APPLICATION OF GEO INFORMATION SCIENCE AND
TECHNOLOGY IN VETERINARY AND ANIMAL SCIENCES

ON MAY 7th, 2018 at
COLLEGE OF VETERINARY AND ANIMAL SCIENCES, POOKODE

Jointly Organized by

INDIAN VETERINARY ASSOCIATION
(POOKODE UNIT)
&
CENTRE FOR ONE HEALTH EDUCATION,
ADVOCACY, RESEARCH & TRAINING (COHEART)

Dear Sir/ Madam,

We extend whole hearted welcome to you to join the ONE DAY SEMINAR ON “APPLICATION OF GEO INFORMATION SCIENCE AND TECHNOLOGY IN VETERINARY AND ANIMAL SCIENCES” scheduled to be held on 07.05.18 at CVAS, Pookode. The field of Remote Sensing and GIS has become exciting and truly informative with rapidly expanding opportunities. Remote sensing is the practice of deriving information about the Earth’s land and water surfaces using images acquired from an overhead perspective, using electromagnetic radiation in one or more regions of the electromagnetic spectrum, reflected or emitted from the Earth’s surface. Geographical Information System (GIS) provides excellent means for visualizing and analyzing epidemiological data, revealing trends, dependencies and inter-relationships. Geo- information science is getting recognized as having tremendous potential in veterinary practices which needs to be tapped. We are sure that the seminar will provide insights on this topics. Looking forward to meet you

With regards

Dr. Deepa P. M
President, IVA, Pookode unit

Dr. Prejit
Officer-In-Charge, COHEART

ABOUT THE ORGANIZERS

COHEART

Center for One Health Education, Advocacy, Research and Training (COHEART) established in 2014 is located in Pookode, Wayanad. The center advocates One Health tradition through closer professional interactions, collaborations, and educational opportunities across the veterinary and medical professionals, together with their allied sciences to control health threats at man- animal and environment interfaces.

IVA (Pookode Unit)

Indian Veterinary Association (IVA), Kerala, founded in the year 1978, is the largest professional organization of the veterinarians of Kerala with more than 2000 members from all walks of veterinary profession. The Association has units in each of the 14 districts of Kerala and the two veterinary colleges under Kerala Veterinary & Animal Sciences University, making a total of 16 units. Being a professional body pledged to uphold and improve the professional efficiency, competence, dignity, honor, interest and rights of veterinary profession, IVA Kerala has always been a forerunner in organizing events of technical importance in the field of veterinary education, research and practice

ONE DAY SEMINAR ON

“APPLICATION OF GEO INFORMATION SCIENCE AND TECHNOLOGY IN VETERINARY AND ANIMAL SCIENCES ”

Organized by COHEART and IVA (Pookode Unit)

On May 7, 2018, 9.00 AM, at CVAS, Pookode

REGISTRATION FORM

Name (in block letters) :

Designation :

Specialization :

Address for communication :

Email :

Phone :

Food preferences : Veg () Non- Veg ()

Name and Signature

Note:

Interested veterinarians and other allied professionals are requested to register the seminar. **The last date for registration is on May 2nd, 2018 (11.00 am).** Registration shall be free for all participants. Please fill up this proforma and send the copy to Dr. Hamna Hakim, Dept of VPH to the email hamnahakim@gmail.com. Photocopies of this form are also accepted.
